Ms. Carol Van Strum
Alder Hill Associates
7493 East Five Rivers Road
Tidewater, Oregon 97390

Dear Carol:

Thanks for the material you faxed. I am enclosing my recent editorials on breast cancer and also my statement on Losing The War Against Cancer, which formed the basis of a press conference in Washington, D. C. on February 4, with a sampling of the media coverage. We are still soliciting further endorsements, which, for tactical purposes at the moment, are focused on public health professionals.

With kind regards,

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Sam".

Samuel S. Epstein, M. D.
Professor of Occupational
and Environmental Medicine
