Memo To: Mike Hart

From: William C. Kinsey

Subject: CONNECTICUT DEPARTMENT OF
CONSUMER PROTECTION

Date: December 11, 1984

We are apparently in a minor violation of Connecticut laws concerning packaging since we do not state on our shingle bundles that shingles are packaged 27-27-26.

Please take a look at the Norwood wrapper art work and determine where we should put the wording: Shingles are packaged 27-27-26 to provide coverage of one square per 3 bundles.

This applies to Wind Seal and Jet 80 only.

CBF: If you can provide better wording, please forward to Mike Hart.
