

1 A Yes, sir, about 30 miles south.

2 Q And that is also where you work?

3 A I do.

4 Q And you have a family?

5 A I do.

6 Q And your wife works with you at your
7 business?

8 A She does, but some would say that I work for
9 her.

10 Q You notice I use the word with and not for.

11 A I did. Good choice of words.

12 Q What do you do for a living?

13 A I am an industrial hygiene consultant.

14 Q What is the field of industrial hygiene,
15 sir?

16 A It is the art and the science of the
17 anticipation and recognition and evaluation and
18 control of occupational health hazards.

19 Q And I will be asking you in a few minutes
20 about what kinds of things present occupational health
21 hazards, but before I do that, what is the name of
