Subject: Joint statement on the importance of fluoropolymers for the clean energy transition and the EU's Net Zero Industry
Attachments: FINAL- Joint statement on importance of fluoropolymers-wider initiative.pdf

Dear Commissioner Simson,

On behalf of all the Co-Signatories, please find in attachment the "Joint statement on the importance of fluoropolymers for the clean energy transition and the EU's Net Zero Industry".

The Co-Signatories remain available to submit the necessary data and to engage with institutional actors to address the mentioned issues and to allow for the safe and continued use of fluoropolymers.

Kind regards,

[REDACTED]
