Re: v. New Primex Realty Associates
v. The Sherwin Williams Company

Dear Mr. Locker:

Your attention is called to my August 26, 1982 correspondence, wherein I requested rather extensive further investigation and documentation regarding the above-captioned claim. In the event this correspondence was misdirected, enclosed please find a copy.

While the appeal from the prime defendant's summary judgment motion denial has not as yet been decided, it is anticipated that a decision in this regard is imminent and if unfavorable to the primary defendant-landlord and if no appeal is taken therefrom, trial could proceed on very short notice.

Accordingly, I would appreciate your immediate attention to the information and materials requested in my August 26, 1982 correspondence and if there are any problems in this regard, kindly contact me.

Thank you for your courtesies.

Very truly yours,

N40514
