

1 A He was there after I left there.

2 Q Was he there while you were there?

3 A I left there and him and Sammy were left
4 there together.

5 Q To finish up the job?

6 A They probably did, yeah.

7 Q Okay.

8 A Because I went to another good size job. I
9 got taken off of it by the superintendent to go to
10 another job to help out there where they needed men.

11 I think I went on a stucco job, big stucco
12 job that they had then, cement job.

13 Q Now, while you were at this location at the
14 Randallstown School, Randallstown High School over
15 near McDonogh in 1970, were all of the trades
16 present?

17 A Oh, sure. You had all kinds of trades on
18 that job.

19 Did you ever see that school out there? Do
20 you know where it is at?

21 Q Yes, sir.
