Re: Redacted vs Sherwin-Williams

Dear Mr. Malone:

As you will remember, the physician that we had hired to give us his opinion on compensability of this claim, Dr. Mannell, passed away before he had a chance to write his report. The attorneys representing Sherwin Williams in this action have sent all of the records pertaining to this case to Dr. Anthony Consentino a San Francisco internist who specializes in pulmonary matters. We have just received Dr. Consentino's report, and I am attaching a copy of that report for your file. As you can see, Dr. Consentino draws the conclusion that he does not believe that the claimant's occupation contributed to his illness or demise.

Very truly yours,

Lee R. Shealy
