**Subject:** OPPT's Systematic Review Guidance Follow-up

Good afternoon,

Thank you all for attending Iris's briefing on our Systematic Review Guidance. She passed on that there is frustration with timing, and the request to extend the deadline for comments. We very much appreciate your involvement and feedback, so if needed please take until COB Monday April 2<sup>nd</sup> to provide written feedback to Iris.

Additionally, Iris passed on that it would be useful to have a discussion on this document. I will send an invitation for this on Wednesday April 4<sup>th</sup> at noon. We understand this is a large amount of material, and agree that a dialogue would be very useful. Iris will review the written feedback prior to this meeting and have any subject matter experts available to field questions. Additionally, myself and Nancy Beck plan to attend.

I don't believe I have everyone that attended the briefing on this email list, so please pass it on to your colleagues.

Best,

Jeff
