TERMS AND CONDITIONS OF PURCHASE

ACCEPTANCE

1. This purchase order, including the terms and conditions on the reverse side hereof, together with any documents attached hereto or incorporated herein by reference, contains the complete and final contract between us as buyer and you as seller. Any additional or different terms and conditions contained in your response hereto shall be deemed objected to by us and shall not be binding unless we accept the same in writing signed by our authorized representative.
2. This order shall be deemed to be accepted, at our option, by the delivery and acceptance of any of the goods, or furnishing of any of the services ordered hereby, or written acknowledgment of this order.
3. This order may be canceled by us at any time before you execute and return to us your acceptance of this order.

CHANGE IN PRICE

4. No goods to be charged at higher price than last quotation without first notifying us.

QUALITY OF GOODS

5. All goods sold hereunder shall, in all respects, be strictly in accordance with our current specifications. Any deviation therefrom without our prior written approval, or any defect in the goods, will result in rejection of the goods. Rejected goods will be returned to you at your expense unless we are directed otherwise. Goods returned as defective shall not be replaced unless we so request. Our failure to reject goods promptly following receipt shall not relieve you of responsibility for defects.

QUANTITY

6. Material shipped in excess of this order may be returned at your expense.

WARRANTIES

7. Any attempted denial or limitation of implied warranties, and any attempted limitation of liability for breach of warranty, contained in any acknowledgment or acceptance of this purchase order, is hereby objected to and shall be invalid.

SHIPPING INSTRUCTIONS

8. Individual items weighing less than 50 pounds ship via U.P.S. or equivalent.
9. Show our purchase order number and number of shipping case on each package, your packing slip, bill of lading, and invoice.
10. No charge will be allowed for crating or boxing unless stated herein.
11. All demurrage charges caused through your failure to send us notice of shipment on shipping date will be billed back to you. When requested, shipping notices should be addressed to the attention of the Purchasing Department.

NOTICE OF DELAY

12. In the event of any anticipated delay in the delivery of the materials described herein, you shall notify us promptly of such anticipated delay and the cause and expected duration thereof, and we will have the right, at our option, either to cancel this order or any portion thereof not yet filled or to agree to the expected delay in delivery.

PATENTS

13. You represent that the sale or use of the goods will not infringe any United States or foreign patents, and undertake to indemnify us against all judgments, decrees, costs and expenses resulting from such alleged infringement. You also covenant that you will, upon request from us, and at your own expense, defend, or assist in the defense of, any suit or action brought against us or those selling or using any of our products by reason of any alleged infringement of any patent in the sale or use of your product. The foregoing guaranty and indemnity shall not apply to any patents or patent applications which are maintained in secrecy by the United States Government, pursuant to the terms of 35 U.S. Code, Section 42.

SUSPENSION OF DELIVERY

14. In the event of interference with or interruption of our business due to causes beyond our control, such as, but not limited to, strikes, differences with workmen, fires, floods, accidents, scarcity of labor, materials or fuel, or transportation difficulties, war, whether in this country or abroad, governmental regulations, orders or proclamations, laws, acts of public enemies, mobs, or rioters, or acts of God, deliveries hereunder may be suspended or partially suspended, as the case may be, during the continuance of such interruption.

PROPERTY OF BUYER

15. In the event that you shall ever have possession of any of our property, such as patterns, goods for repair, or any other kind of property belonging to us, then you agree that you will at your expense, protect said property from damage, fire and casualty of every kind and will return the same to us free from all damage and injury, and you shall, at your expense insure said property against damage to the amount of the full insurable value thereof in our name and for our benefit, and you shall indemnify us for all loss and damage which may happen to said property while in your possession from any cause whatever.

COMPLIANCE WITH LAWS AND REGULATIONS

16. You agree, in connection with the work covered in this purchase order, to comply at all times with the applicable provisions of the Fair Labor Standards Act (29 U.S. Code, Sections 201-219, together with all amendments thereto), and to render, on the invoice(s) which you submit covering the goods shipped under this purchase order, a written assurance that in the production thereof you have complied with all the applicable provisions of said Act.
17. If this contract is for the manufacture or furnishing of materials, supplies, articles, or equipment in an amount which exceeds or may exceed \$10,000 and is otherwise subject to the Walsh-Healy Public Contracts Act as amended (41 U.S. Code, Sections 35-45) there are hereby incorporated by reference all representations and stipulations required by said Act and regulations issued thereunder by the Secretary of Labor such representations and stipulations being subject to all applicable rules and interpretations of the Secretary of Labor which are now or may hereafter be in effect.
18. If the prime contract, to which this purchase order is related, contains the standard clause of one of the Government Departments providing for the termination of the prime contract for the convenience of the Government and if such prime contract is terminated for the convenience of the Government, in whole or in part, and the contracting officer requires us to terminate this purchase order, such termination shall be in accordance with the provisions of the prime contract providing for termination for the convenience of the Government, including the computing of compensation for parts and materials completed or partly completed and reimbursement for costs and profit.
19. If, as a result of this purchase order, you are a subcontractor or a substitute manufacturer under a Government contract or subcontract, you agree, in performing the work required by this purchase order, not to discriminate against any employee or applicant for employment because of race, color, religion, sex, age or national origin, or because of handicap or veteran's status. You shall comply with all Federal laws, executive order, rules and regulations insofar as they may be applicable hereto, including the Trans-Alaska Pipeline Authorization Act (43 U.S. Code, Sections 1651-1655), the Rehabilitation Act of 1973, as amended (29 U.S. Code, Sections 701-794), the Vietnam Era Veterans Readjustment Assistance Act of 1974 (38 U.S. Code, Sections 2011-2014), the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S. Code, Section 803), and Executive Order No. 11246, as amended. All applicable contract clauses required thereby are incorporated herein by reference and made a part hereof.
20. If 41 U.S. Code, Section 22 is applicable, no member of the Congress of the United States shall be admitted to any share or part of this agreement or to any benefit arising therefrom.

3/19/47	New Handling Means	NW	Bob Carpenter is getting ready to put on the 3rd drag of 75-75's which should increase business so on. He'll handle this 3rd drag from the day along with the others. Have presented new layout of his mold shed to him for consideration (copy in road book). Keep after this because any additional drag will call for the use of the mold bed.	Nothing new. @ 4/15 Bill was early & changed CARPENTER ORDERED 5114 DRAG INTO SERVICE @ 9/12
4-3-47	Pipe trouble	NW	Carpenter ran into some pipe trouble with clays, valleys & C.D.'s. This trouble has cleared up, mostly however. Checked setting of C.D.'s in middle of 14" & untied pouring (14-16" down). Talked the over Carpenter, Brown & Jones & told them they should have no pipe trouble with this practice. They felt they were now in the clear.	No further trouble @ 4/15 No trouble to report @ 5/14. This has been cleaned up according to Bob Carpenter @ 6/11
6-15-47	Brickings	(N)	Several brickings clogged couple need replacing. Start on hard. Should be well covered	OK @ 9/12
7-1-47	New Machine	(C)	They are getting in the new belled 75-75's models. We are to furnish Pimp's 75-74 Wipers 14-19-75-A & Casting 47-1374-A on any future orders - PRW has been notified.	2/14-1374-A belting ordered 7/12 2-0-0-0 all belted @ 9/12

5-24-6	Overramped Brick	N	Complaint our bottom corner being under-ramped. Brick measured 18" to 3 1/2" under blue paint but would not fit. Found hardwood ramp set in corner of ledge. Clipped out a corner & brick fit ok. Got hold of Mason Dept. who will line up his men to shore ledges and not put braces behind brick at this position.	Coming at now 6/7/61 (N)
7-26-6	Brick	N	Brick should be 10" long, varying from 9 7/8" to 10 5/8". Carpenter called carpenter shop for correction.	Corrected - now ok 10/10 N/L
10-11	New Bus.	N	Carpenter promised to put on 2nd drag.	11/5 (E) Carpenter says will put 2nd drag soon.
11-5	New Bus.	E	Carpenter concerned about extra labor required when he gets interested in Heppner all tanks to handle a night shift when he has two to make a night shift. Use 3 men now. Get print from J & L problem.	Could use 2 with Heppner tank.
11-71	20XV3 Draft	E	There are a lot of suspensions on end of low hot top platform. Suggested to Susan that they arrange to ship to Houston.	Will have. Carpenter said he'd have them this week to Houston. 11/16 Carpenter said he'd send without mail, 11/20. Not done yet 11/23
11-71	Reduced vol 2411-70 Brick	E	Talked to B Carpenter. He is interested. Joke prints of brick, sandwich layout, std. brick cost, fed. vol brick cost & volume tables for Bob.	Presented buttons 15 to 16. Carpenter to inspect. Obtained him to visit with B. Carpenter's efforts. This trip is about 100. to obtain 1000. Carpenter said he had all time was off. Rpt. talk said they were doing a better job. we only made up. Brick drops were poor. Still only fair. - Remonstrated again 11/23
