

1 losses.

2 The economic losses to be considered include
3 the fair and reasonable medical expenses which were
4 incurred by the deceased and the loss of earnings from
5 the time of injury to the time of death.

6 As you have already been instructed, you
7 shall also consider the funeral expenses up to
8 \$3,500.

9 Noneconomic losses to be considered are any
10 conscious pain, suffering or mental anguish that the
11 deceased experienced as a result of the injury until
12 death.

13 According to the life expectancy tables, the
14 life expectancy of Mr. Grewe at the time of his death
15 was --

16 MR. IGNATOWSKI: 21.9 years.

17 THE COURT: 21.9 years, and for Mr. Wood it
18 was --

19 MS. HINES: 10.4 years.

20 THE COURT: 10.4 years.
