TO DOUG MERRILL FROM JOHN BACIGALUPO DATE 1/29/81

SUBJECT PACO SALES 1960 THROUGH 1978 - OUTSIDE AND INTERCOMPANY

Attached is an updated listing of the Paco Outside and Intercompany Sales from each of our five Distribution Centers, plus Tulsa/Broken Arrow and Alameda/ Houston during the period from 1960 through 1978. This information has been obtained from the Operations Statements or Sales Journals.

After 1973, Paco was not shown as a separate sales classification. It was therefore necessary to research ledger controls from Denver, Ontario and Hurst to obtain a breakdown between Paco and Sundry sales. Jean Dumont did this, and the sales for the years which were missing on the form attached to my previous memo of 1/27/82 are now shown on the attached.

We do not think we were able to obtain an accurate breakout of Paco outside sales for the year 1974.

This should give you sufficient Paco sales information to reply and for future reference.
