April 14, 1986.

To Members of the Vinyl Chloride Safety Association:

The date and location of the 1986 meeting of the Association are confirmed as Thursday and Friday, October 9 and 10, at the Hotel Washington. Pennsylvania Avenue at 15th Street Washington D.C. 20004.

This Hotel is located between the White House and the Capitol, in the centre of the main visitor attractions. The Hotel itself is steeped in tradition, but, thanks to recent renovations, offers contemporary luxury facilities. A reservation card is enclosed. For direct communication, call (202) 638-5900, or in the U.S. toll free 800-424-5900, rooms should be reserved by Sept 12, do not forget to mention the VCSA.

You should arrange to arrive on Wednesday, October 8. The Hotel is a 15 minute cab ride from the National Airport, or, by subway, 2 blocks from the Metro Centre Station. From the Dulles International Airport the most economic route is to take a Greyhound Bus to the Capitol Hilton, and then a taxi five blocks to the Hotel.

The program chairmen are busily putting together the agenda, and request that you communicate your needs, ideas, problems, suggestions, offers to present papers, lead discussions, or conduct surveys, complaints about previous meetings, true confessions, and anything else that will demonstrate that you and your co-workers are contributing members of our organization. They may be reached by telephone or mail as follows :-
