Washington Works

Comprehensive Environmental Program

- **Purpose & Approach**
- **Six Projects :**
 1. **Landfill Liner Demonstration**
 - * 2. **RCRA Verification Investigation (VI)**
 3. **Site - wide Hydrologic Survey**
 4. **Plant Water Supply Study/Design**
 - * 5. **Letart Landfill Contamination Study**
 - * 6. **L.P.S.D. C-8 Investigation**
- * **C - 8 Related Projects**

AP001677

RCRA Verification Investigation (VI)

To Investigate Six SWMUs on Site

- 1. Local Landfill**
- 2. River Bank Landfill**
- 3. Anaerobic Digestion Ponds**
- 4. Injection Wells No. 1 & 2**
- 5. Burning Ground**
- 6. Polyacetal Waste Incinerator**

• Work Plan Submitted in Feb. 1990

• Waiting for EPA's Comments

ALP001678

L.P.S.D. C-8 Investigation

- **Lubeck Public Service District Wells #1 & #2**
- **WW Monitoring Well #27**
- **Probable Contamination Source and
Groundwater Contamination**
- **Proposed New L.P.S.D. Wellfield**
- **Potential Future Impact of the C-8
Contamination on the New Wellfield**
- **Preventive Measures**

AJP001679

Letart Landfill Contamination Study

- **Purpose of the Study**
- **Existing Monitoring Wells and Data**
- **Monitoring System Upgrading**
- **Investigation**
