Dutch Boy

INTERIOR SEMI-GLOSS INTERIOR GLOSS

Now you can decorate your home just the way you want to. Using Dutch Boy Semi-Gloss and Gloss in matching colors (they match Wincroft, too), you can have just the kind of finish you want on any surface.

Three Dutch Boy products - both in 1/2 gallon and 5 gallon sizes - are available in 12 colors and 12 shades. Light colors Gloss, Semi-Gloss, and Gloss. Light colors Gloss, Semi-Gloss, and Gloss. Light colors Gloss, Semi-Gloss, and Gloss.

And you apply Dutch Boy interior finishes in a simple, foolproof way of getting uniform beauty.

for woodwork bright and 'new'

take a can of such, very so our
Dutch Boy enamel paint—Green or
Sea Green—and give your house
new life. You can feel the quality
in Dutch Boy as it flows on, spread-
ing easily and leaving no streaky
protection. That dull, worn look from
every surface before beautiful,
durable, washable color.

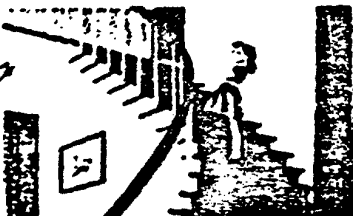

for walls that gleam—and wear!

in the bathroom and kitchen,
and everywhere frequent washing is
a fact. Bright, hard, clean Green or
Sea Green offers available
beauty. The smooth, sanitary surface
has good light reflection, too.

trim detail that 'makes the room'

Now! You can make the dignified,
sublimely of Sea Green and bright,
hard Green on trim. In the door
ways and on walls for effect that
delight. And what a variety of
beauty you can achieve, for
Dutch Boy enamel paints match in
color, and supplement each other
on the panels of Green, Sea Green,
and the Whites.
