REURLET OF 10/11/68 AND 8/1/68

There are three employees at Du Pont Works who are exposed sporadically to asbestos. These men are exposed 8 to 40 hours per month, but we believe the average to be near 8 hours per month per man based on a 12-month period. The employees are:

Carver S. Greenwood
Herbert R. Newman
Richard L. Tainter

No employee at this Works is in constant exposure to asbestos.
