DOCUMENT DESCRIPTION: Barry Castleman Notes - Fibreboard-Asbestos Magazine & Raybestos-Manhattan-Asbestos Magazine

Fibreboard/Asbestos magazine

In late 1928 it was announced in Asbestos that Paraffine co had bought all the stock of Plant Rubber & Asbestos Works In 1928-29,

-- it was noted that Paraffine was 45 years old

-- opening of Paraffine's London England office announced

-- announced that Asbestos would regularly receive the company's own publication, bi-monthly, "Pabco World"

-- announced the second semiannual meeting of the Pacific Coast Asbestos Assn. in which PR&A attended

Announcements continued through 1930, with the example of the expanded scale operations to meet orders for 85% magnesia (March)

Raybestos-Manhattan/Asbestos magazine

The formation of R-M from other companies was announced in Aug. 1929 complete with photos of Sumner Simpson.

Advertisements ran monthly starting in April, 1930.
