Pursuant to section 15.1 of the Asset Purchase Agreement dated February 3, 1987, among BP North America, Inc. and Vista Chemical Company, we hereby provide notice of recently discovered information which may lead to the filing of an environmental claim.

We recently received a copy of the Massachusetts Register (pertinent pages attached) which contains the lists of hazardous waste sites or potential sites throughout the state as determined by the DEQE on January 15, 1987. The Mansfield plant site is on List C of the publication. The purpose of List C is described in the attached pages.

Please contact me if you have questions regarding the above.
