Mr. E. W. Webb
Ethyl Gasoline Corporation
Chrysler Building
New York City
New York

Dear Mr. Webb:

I am sending you herewith a wire
from Mr. Gilmore which is self explanatory.

In accordance with my conversation
with you, I talked with him over the telephone
and this is the reply to our conversation.

If there is anything further which
you wish me to do in connection with the matter,
just let me know.

Very truly yours,

RAK:IS
