Scott, I understand that EPA Region Administrator Doug Benevento is looking for contacts in Utah with knowledge of the mining and agriculture industries. Please pass my name along to the Regional Administrator. I work with several operators involved in coal mining and hard rock mining in Utah and am a board member of the Utah Mining Association. I am also registered to lobby for UtahAmerican Energy, Inc and Alton Coal Development, LLC. With respect to agriculture, our firm represents large landholder and ranchers in Utah. Our firm also does lobbying for US Hemp Roundtable which represents industrial hemp growers.

Please let me know if you need additional information. Thanks for your assistance! Denise
