

CAMBRIDGE

TO: R. W. Sterrett

DATE: July 18, 1968

FROM: R. M. Vining

SUBJECT:

CC:

Unfortunately, I found your July 1, 1968 letter to me re the U.S. Public Health Service's request for a list of employees attached to several reports I had not yet read. Thus, the reason for my late answer.

We should not give any listing of employees to the Social Security Administration unless there is a legal requirement to do so. I have consulted with both Kingery and Dugan on this subject, and we are all in agreement.

R. M. Vining

cc - Mr. French*

Dear Sir:
I have included a copy of a letter from me
regarding your letter of June 11, 1968, regarding
the Social Security Administration
under there is a legal requirement to
do so.
