

PLAINTIFF'S EXHIBIT

JM-2478

NO. 77 C 3534

(b) The quantities of each type of asbestos supplied by each person or organization annually during the period 1946 to the present date.

ANSWER: Defendant does not possess records back to 1946 but states that asbestos types amosite, chrysotile and crocidolite have been used at the Waukegan plant over the years.

(a) Attached As Exhibit A is a list of vendors who have supplied asbestos over the years to Johns-Manville locations. At present, it is not possible to state which vendors sold to the Waukegan location. Defendant will continue to search its records and will supplement this Interrogatory accordingly. In addition to the vendors listed on Exhibit A, fiber was supplied by the Canadian Johns-Manville Company mine in Asbestos, Quebec.

(b) Defendant objects to furnishing all quantities of fiber ever purchased, as the same is overly burdensome. Defendant is unable at this time to determine the exact quantities used at the Waukegan plant but will continue to search its records and will supplement this Interrogatory accordingly.

(c) Unknown as to the vendors listed on Exhibit A. Fiber has been packaged in the following manner by Canadian Johns-Manville Company: jute, valve paper, jute and polyethylene, woven polyethylene, pressure-packed multi-walled Kraft paper and polyethylene film.

(d) Unknown as to the vendors listed on exhibit A. As to Canadian Johns-Manville Company:

Defendant placed warning notices on the packaging of its asbestos fiber. The warning labels and the dates of use are as follows:

CAUTION

THIS BAG CONTAINS ASBESTOS FIBER.

PERSONS EXPOSED TO THIS MATERIAL SHOULD
USE ADEQUATE PROTECTIVE DEVICES AS
INHALATION OF THIS MATERIAL OVER LONG
PERIODS MAY BE HARMFUL.

(1969-1972)

CAUTION

Use of warning labels was commenced during 1969. The label presently in use is prescribed by the United States Department of Labor, Occupational Safety and Health Administration (OSHA) pursuant to 29 C.F.R. Sec. 1910.1001, such regulation being promulgated by OSHA in 1972. Defendant also places this warning on all bags containing asbestos fiber in five additional languages; i.e., French, Dutch, German, Spanish and Japanese.

2. State whether any asbestos used or processed at the Waukegan plant was purchased or acquired from the General Service Administration or any branch or agency of the United States Government during the period 1946 to the present date. If the answer is in the affirmative, state:

(a) The name and address of the agency which supplied the asbestos.

(b) The types of asbestos supplied.

(c) The quantities of each type of asbestos supplied annually during the period 1946 to the present date.

(d) The means of packaging.

(e) The health warnings, if any, which accompanied each shipment of asbestos and indicate when said warnings were first made part of the shipments.

ANSWER: Defendant has purchased fiber from the General Services Administration but it is unknown at the present time whether or not any of this fiber was utilized at the Waukegan plant. Defendant will continue to search its records and will supplement this Interrogatory accordingly.

(a)-(c) See Answer to Interrogatory No. 2 above and Exhibit B attached hereto for purchases made by Johns-Manville.

(d)-(e) Unknown.

3. Has defendant purchased asbestos from Cassiar Asbestos Corporation, Ltd., which was used or processed at the Waukegan plant during the period 1946 up to the present date? If answer is in the

Cassiar Asbestos Corporation, Ltd. annually during the period 1946 to the present date.

(c) The means of packaging.

(d) The health warnings, if any, which accompanied each shipment of asbestos and indicate when said warnings were first made part of the shipments.

ANSWER: Defendant has purchased fiber from the Cassiar Asbestos Corp., Ltd. but it is unknown at the present time whether or not any of this fiber was utilized at the Waukegan plant. Defendant will continue to search its records and will supplement this Interrogatory accordingly.

(a)-(c) See Answer to Interrogatory No. 3 above and Exhibit C attached hereto for purchases made by Johns-Manville.

(d)-(e) Unknown.

4. Has defendant purchased asbestos from General Mining and Finance Corporation, Ltd., Republic of South Africa, which was used or processed at the Waukegan plant during the period 1946 to the present date? If answer is in the affirmative, state:

(a) The type of asbestos used or processed.

(b) The quantities of each type of asbestos supplied by General Mining annually during the period 1946 to the present date.

(c) The means of packaging.

(d) The health warnings, if any, which accompanied each shipment of asbestos and indicate when said warnings were first made part of the shipments.

ANSWER: Defendant has purchased fiber from the General Mining & Finance Corp., Ltd. but it is unknown at the present time whether or not any of this fiber was utilized at the Waukegan plant. Defendant will continue to search its records and will supplement this Interrogatory accordingly.
