Anita,

I represent Vault 44.01, a large Carbon Capture and Storage (CCS) company operating in the Midwest. The Vault team would like to come to Washington, DC on April 3, 4, 7, 8, or 9, and we would like to request a meeting with Jess Kramer to discuss our proposed projects pending Class VI permit applications. If those dates are not available, we could potentially meet on April 10 or 11.

Please let me know if any of those dates are available and what additional information you may need.

Best regards, Matt Leopold
