We really appreciate the invite for the Secretary to join y'all! Unfortunately, he is already scheduled to be out on travel during those dates in June.

Hi Izzy,
Checking back if Secretary Wright is available to join the CEI Summit in Bar Harbor in three weeks. Attached is the current agenda including confirmed and invited speakers. We would be delighted for the Secretary to keynote our closing event in Acadia National Park. Or we still have room to adjust the daytime agendas, if that timing doesn't work.

Thank you for considering,

Amanda France

Good afternoon, Amanda!

I hope you are having a great week. My apologies for the delayed response here and thank you very much for the invitation for the Secretary to join the Competitive Enterprise Institute Summit.

If you could please have the appropriate member of your team fill out the attached event request form and return it back to the.secretary@hq.doe.gov for our records and consideration, that would be great.

Just as a heads up, we are currently booking the Secretary's schedule about 2 weeks to 1 month out in advance.

Thank you again for the invitation and we look forward to hearing from you.

Izzy
