Thanks, Byron! Hey there, Anthony and Chris. I'd love to join the alumni club for lunch soon. I have 2000 questions, but fortunately I haven't screwed anything up too badly yet (Byron likely differs). It's only Weds though. Let me know when you all have time. This is great!

Congrats indeed – and will echo Mr. Bliley’s comments. There’s been a good tradition of the former OCIR DAA’s getting in touch, so thanks for connecting Byron. I’m sure Byron can share many a good story with you about our collective time there. Plus he’s got a touch of Hawkeye on his resume, so that gives him a leg up on everyone.

Tate,

Congratulations! Very nice to make the introduction and happy to share our experiences at OCIR. Perhaps we can get this group together for lunch sometime in the near future, but certainly don't hesitate to reach out in the meantime.
