**WHAT KIND OF CAR ?
ARE YOU DRIVING?**

NOBODY'S BUSINESS but your own, of course! BUT, Mr. MERCHANT, it is very much YOUR BUSINESS what the other fellow drives. BECAUSE, a man's buying-power is definitely indicated by the car he drives—not only his BUYING-POWER but also his BUYING-WILLINGNESS, and that often is just as important as his ability to buy. A Ford will take a Rolls-Royce owner anywhere that his big car will take him, but the fact that the man drives the high-priced car proves his WILLINGNESS to buy a superior article. The same argument, in lesser degrees, applies to all price-classes in automobiles.

Automobile-owners are definitely registered. Their names and addresses are available. With each name there also is available the kind of car, the model, and all other essential data. This information is invaluable to the man who wishes to reach the BIGGEST BUYING-POWER in America with the maximum WILLINGNESS TO BUY.
