Reid,

Thank you for the opportunity to listen to the Hualapai Tribe's leadership group yesterday. As I mentioned, Secretary Zinke looks forward to working closely with all of the tribes across the country to help them advance their goals for their people. That said, please understand that, as I mentioned yesterday, we are not yet ready to take a position on this particular proposed legislation. We do look forward to a continuing dialogue.

Thanks,

Scott

Scott J. Cameron

Special Assistant

Office of the Secretary of the Interior
