MONSANTO CHEMICAL COMPANY — *Inter-Office Correspondence*

From LOCATION : Anniston, Alabama — CC :

DATE : June 4, 1962

SUBJECT :

REFERENCE :

TO : Ed Emery

South Second

Dear Ed:

Here are the charts that you requested we send you on our analyses of the terphenyl and quaterphenyl analyses of conversion distillation bottoms. The samples from which these were run are being sent under separate cover.

Please let us know what you find on your analyses of this material, and any suggestions that you might have regarding our analyses.
