Little Rock, Arkansas 72205

Dear Ms. Johnson:

A copy of an Epidemiologic Study of Vinyl Chloride Workers, Final Report, January 1978, is enclosed as per your request. Reports #2 and #3, mentioned in your February 5, 1988 letter, were the interim reports and, therefore, have not been included in the enclosed package. Data from these interim reports have been incorporated in the enclosed 1978 final report. I have also enclosed a copy of the final report entitled An Update of an Epidemiologic Study of Vinyl Chloride Workers, 1942-1982.

Please call me at 202/887-1192, if you have any questions or need additional information.

Sincerely,

Hasmukh Shah, Ph.D.
Manager

Manufacturing Chemists Association
2501 M Street NW
Washington, D.C.

Dear Sir:

One of our faculty members has asked me to obtain copies of the following reports. Would it be possible to obtain copies from your organization? I cannot locate them in other libraries or at NTIS.

If it is possible please notify me of the terms of purchase.

Thank you for your consideration of this request.

Cordially,

Margaret Ann Johnson
Interlibrary Loan Librarian

1. Equitable Environmental Health, Inc. Epidemiological study of vinyl chloride workers. Final Report. Prepared for the Manufacturing Chemists Association, January 1978.
