

INTERDEPARTMENTAL COMMUNICATION

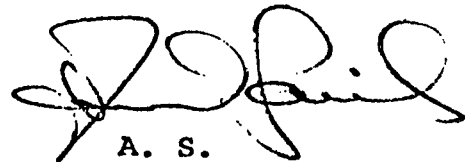

TO: Bill Hammer
FROM: Ariel Sanchez
SUBJECT: Asbestos Dust Problem - Akron

DATE: December 8, 1972
LOCATION: Akron, New York
LOCATION: Portland

Enclosed is a copy of the proposal by A. J. Otten Company, Inc., to improve our asbestos dust problem at the bag packer's area in your plant.

Please notice this quotation does not include the electrical installation or the enclosure of the Bag Hopper. (See enclosed sketch.)

At your earliest convenience, please submit an A.F.E. to cover the above project.
