

1 because he couldn't even stand the smell of food.

2 Q If you cooked in the house --

3 A He had to go someplace else because he
4 couldn't stand to smell the food. He had no appetite
5 whatsoever.

6 Q Would you be the one who had to take him
7 back and forth to the hospital?

8 A Yes, but I had to have help because he
9 couldn't get in and out of the car. I had to have
10 help.

11 Q You had to have help?

12 A Help to get him in and out of the car.

13 Q Who would help you?

14 A I had a friend of mine at the time come and
15 help.

16 Q Now, did there come a time when you and your
17 husband decided not to have the chemotherapy treatment
18 anymore?

19 A He couldn't stand it anymore, because of the
20 sickness of it, so he decided to stop it.

21 Q Now, we heard a little bit the other day
