Hi Nancy,

Great to see you on Wednesday!

After I got back, I remembered that an intern used an Excel template to create Gantt charts to help manage her project. Her files were of no help, but I found some interesting tools here:
<https://www.officetimeline.com/project-management/excel>

I have not had time to fumble through all, but they look intriguing. I'll explore with our folks. Maybe next time, we can exchange notes?

I am also curious about the Taiwan sustainability/chemical management forum. I'll contact my friends there to find out more.

Take care!

Andy
