Dear Mr. Rudy:

Re: Irradiated Plastic Pipe Proposal

In your letter of June 9, 1966, you said that Dr. Boyer would be sending us the answers to some of the questions I asked in my letter of May 27, 1966. I have not received any answers from Dr. Boyer; so I would appreciate your checking with him to see if he has sent them to us.

I agree with the recommendation in your letter that we get together to discuss this proposal. As soon as we have received the answers from Dr. Boyer, I will contact you and make arrangements for such a meeting.

Very truly yours,

Joseph J. Kelly
Patent Attorney
