Subject: EPA Administrator Visit on the 7th

Elizabeth and Tate:

Wanted to connect you guys about the potential visit on the 7th with Administrator Pruitt. Tate is running point for the EPA and is looking to confirm a location in the Milwaukee area. Tate said she has been in touch with Farm Bureau and the Cattlemen about locations, but still needs to lock down a place. Hoping we can help with that.

Elizabeth is the federal issues liason for the WI DNR. She is aware of the visit and can help move the ball forward.

Thanks,

Kyle
