Hi Reggie and Miriam,

Thank you for getting these in.

Would one of you be available to discuss a few of these comments with me and Liane or Randy on Tuesday, 4/18?

We are on Mountain time. Something late morning or early afternoon ET would be my first choice.

Thank you

Subject: DRAFT Review for EO Promoting Energy Independence

Greetings,

Last Friday you were invited to a conference call about developing the FS "Plan for Review" required in the March 28, 2017 Executive Order (EO) Promoting Energy Independence and Economic Growth.

The FS must respond to Section 2 of EO, which requires federal agencies to review all existing regulations, orders, guidance documents, policies, and other similar agency actions (collectively, agency actions) that potentially burden the development or use of domestically produced energy resources, including transmission or delivery of these resources.

Attached for your review is the initial draft Review Plan. I have also attached the EO for your convenience.

Comments on the Review Plan are due back to me by **Close of Business, Friday, 4/14/17.** **Please use tract changes.**

Please send any comments you have to Liane Mattson, Randy Rabideaux and myself.
