Q Sir, let me show you the testimony you gave back in 1999, and we cite you to page 92. I will put that up on the screen for you. And as soon as our projector here kicks back on, we will let everyone see that. But in the meantime let me hand you pages 90, 91 and 92 of the deposition you gave in July of '99, and I will ask you to read that. Let's go off the video record, please.
