Subject: Secure a victory America won't forget

Kenneth,

Last December, Congress passed a tax reform plan that has already brought relief to businesses and citizens everywhere. **Even so, some crucial pieces are still missing—like making sure the individual tax cuts stay permanent.**

Now's the time for you to throw the second punch, and deliver a knockout blow to our broken tax, spend, and debt spiral by locking in tax reform for good. Without permanent tax cuts, America's economy can't thrive the way you know it can.

That's why The Heritage Foundation has a goal to raise \$200,000 by Tuesday, April 17, to push for making individual tax cuts permanent. By donating to The Heritage Foundation, you help us craft policies that advance true conservative tax reform.

Our \$200,000 Tax Day Freedom Campaign funds the research of Heritage experts. Your gift before April 17 brings their research and insight to the people on the Hill who need to hear it most. **And that information makes all the difference in the fight for your wallet and our nation's prosperity.**

Thanks for your support. We can't reclaim America without you.

All the best,

Kay Coles James
