Dear Marty:

Pediatric Lead Poisoning AAP

Thank you for your letter of August 10. Unfortunately and unbelievably, we have still not received the transcript from the Wilmington Conference. I contacted the stenographer last week and was assured along with all kinds of excuses that we would have the transcript by next week. As soon as I get it, I will let you know and we can set up a meeting to review the transcript and to make plans for publication.

Sincerely,

J. F. Cole, Sc.D.
