Attention of- Mr. Walter

Dear Mr. Walter

I am enclosing herewith the testimony of the claimant's case in the above entitled action, in which I have laid the foundation for the ingestion of lead through food.

It will be observed that no medical testimony has been introduced other than the autopsy which I believe Dr. Kehoe has a copy of.

We will now start introducing our defense in this action and will call lay witnesses at the next hearing to establish the nature of Mr. [REDACTED] work.

I will, at the next hearing if agreeable to you, attempt to arrange some convenient day that Dr. Kehoe can testify, and if you will let me know some day in October, I will try and have a definite time fixed.

Thanking you for your kind cooperation in this case, I am

Very truly yours,
T. E. Bresnan
