Good morning Frank,

Let me check. Thanks for reaching out. What's your deadline and when are you hoping to publish?

Thanks, R.

Subject: PMNs

Dear Robert,

I am a writer for Chemical Watch working on a story about PMNs and significant new use rules. I am hoping you can answer a couple of questions.

Has EPA finished the new guidance (consultation documents) it is preparing? I understand that the guidance is to be available about now. If not, what is the timing?

Has there been much pushback from the industry or NGOs?

Thanks for any assistance you can provide.
