Messrs. W. P. Fuller & Co.,
San Francisco, Calif.

Gentlemen:-

TURQUOISE BLUE:

Referring to your order #321-1 for 1000 lbs. Turquoise Blue in 100 lb. kegs, which we placed with J.S. & W.R. Eakins & Co. as mentioned in our letter #1884 of May 31st, beg to state Eakins & Co. advise that the price of 25¢ per lb. represents barrel price. If packed in 100 lb. kegs, price would be 27¢ per lb. Barrels contain about 500 lbs. each.

As this material is for jobbing purposes presume it will be necessary for you to have it packed in kegs. We have however instructed Eakins & Co. to prepare the material and await our instructions regarding packing.

Would therefore ask you to kindly advise if you can use this material in barrels or if you desire the 100 lb. kegs.

Awaiting your advices, we remain,

Very truly yours,

W. P. FULLER & CO.
