Sherwin-Williams SWP House Paint

gallon **6⁴⁵**

It pays to be selective when you choose a house paint. The slight difference of price between ordinary house paint and SWP is but a few dollars on the complete house coverage. And SWP looks more colorful when new, stays new looking longer and thereby cuts down your house paint cost. Goes on so easily you can paint your house yourself. Available in 50 colors. Deep colors slightly higher.

10'x12' paper drop
