Asst. Director of Industrial Relations  
Republic Steel Corporation  
Republic Building  
Cleveland 1, Ohio

Dear Mr. Ferguson:

I am returning to you with my editorial alterations summary attached to your letter of May 17. I do this hastily on a Saturday between my return from Washington and my departure for Boston on Sunday. It may be late and so I hope. The statement as forwarded to me is being complete, and several sentences are entirely correct. The form in which I am returning it is still incomplete but not incorrect. It may serve your purpose as a record of interview, but I suggest that it should be employed for information of your own people, and not for any other purpose.

Sincerely yours,

---

Robert A. Kehoe, M.D.
