Dear Dr. Patel:

Mr. Succi recently filed a Workers' Compensation claim alleging occupational disease as a result of exposure to chemicals at an Ashtabula, Ohio plant we previously owned.

Pursuant to the Ohio Workers' Compensation Law I respectfully ask that you forward to me copies of all medical records with respect to Mr. Succi.

I also ask that you forward the biopsy slides, if in your possession, for review by a doctor of our choice.

Attached is a copy of Mr. Succi's claim application. Please note the paragraph above his signature wherein he authorizes medical disclosure.

Yours truly,

A handwritten signature in cursive script, reading "Kenneth P. Breyley".
