For awareness regarding Tom's email - Sam and I reached out to Region 6 to start drafting a positive response (ie approval) of the TCEQ request for reconsideration. We were told it would take about 2 to 3 weeks to get a draft for review. Also, on Tuesday afternoon, OAR senior staff is meeting to discuss our options with regard to the SSM SIP Call in general.

I was interested in chatting with you about the EPA SSM SIP Call rule and the petition for reconsideration submitted by TCEQ last week (copy attached). It would be great if you could give me a call or let me know when you are available to talk.
