Hi Syndey,

Just following up on this. Would the Secretary have availability for the call at 4:30pm ET this afternoon? If a time between 4:00pm and 4:30pm would work better for the call to start, please let me know.

It sounds like Senator Lankford and Secretary Duffy did not connect today.

If possible, can we try to aim for a call tomorrow morning, at 4:30PM ET, February 25, 2025 for 10 minutes?

Hi Tru – apologies I was trying to work it on my end and see if I could open something up. I could do 4:45-5pm?

Otherwise 10:30am is still an option for us. I could also potentially do a Sunday afternoon/early evening call.

Let me know what you think.

Thanks so much!

Hi Joseph,

I hope all is well! My name is Tru Dabney and I am the scheduler for Senator Lankford. I'm reaching out to see if it would be possible to find a good time for the Senator and Sec. Duffy to discuss the Secretary's visit to the Monroney Center and Oklahoma Air Traffic Control towers. The Senator has a few open slots tomorrow morning if that would work for the Secretary. If tomorrow is not amenable, would there be any windows of availability next week?
