Subject: Meeting request for the Administrator - American Chemistry Council

Caution: This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

All –

On behalf of the American Chemistry Council's President and CEO, we request a meeting with the administrator at the EPA to raise opportunities and to help achieve his Great American Comeback Initiative.

Attached is a copy of our request letter. ACC and key member companies CEOs on our board of directors wish to attend. I would be happy to answer any questions and work with you to reach a convenient time.

Thank you as always,

Ryan Jackson
