

JOURNAL CLUB

The Journal Club will meet on February 3rd., 7:30 PM at Dr. Zavon's residence, 4020 Rose Hill Ave. The topic for the February meeting will be asbestos, the discussion will be led by Dr. Lewis Cralley, past president of the American Industrial Hygiene Association, and Mr. Howard Ayer, Vice-Chairman elect of the American Conference of Governmental Industrial Hygienists. Both Dr. Cralley and Mr. Ayer are with the Bureau of Occupational Safety and Health.

If you plan to attend, consider the following two articles:

"Hygienic Standards for Chrysotile Asbestos Dust". Committee on Hygienic Standards of the British Occupational Hygiene Society. Ann. Occup. Hyg. 11:47-69 (1968).

Gilson, J.C. 1966. "Health Hazards of Asbestos - Recent Studies on its Biological Effects". Trans. Soc. Occup. Med. 16:62.

Bring other articles which are pertinent to the evening's topic!

Asbestos & Health - in 1969.
