A Yes. I worked in a sewing factory for four years.

Q Sewing factory?

A Yeah, for four years to put her through college.

Q Now, when Mr. Vandergucht retired in approximately 1977, did the two of you have like a plan, as to what you were going to do over the next few years, what you were going to do, and what he was going to do?

A Yeah. I planned on keeping on working, you know, until I was 65. And then we would, you know, go to see our families overseas, and enjoy life a little.

Q Okay. Did you keep working?

A Yes, I kept working.

Q When he retired, what was his plan?

What was he going to do while you were going out to work?

A He was enjoying the farm, you know, he had a lot of work around the farm.
