Milan, you were awesome! Thank you for the hard work and expertise you brought to the event and also thank you for taking such great care of the Administrator.

You met Rich Nolan, my boss and SVP at NMA. [Rnolan@nma.org](mailto:Rnolan@nma.org), We both will be in Florida and look forward too seeing the team.

What a great event! Seeing miners that pumped was really special. If I can help with anything please don't hesitate to reach out.

Best,  
JM

Jerry,

Am I spelling your name correctly?

Just want to share with you how thankful we are for Wednesday and Thursday. It was truly a home run; I'm not sure we could have asked for better. Admittedly, there were a couple moments when I got a little teary-eyed. Thank you sincerely for all you did to help facilitate this visit. The Administrator was excited to be there and humbled to be in the presence of so many kind and hard-working folks. Additionally, thank you for your patience with us and the varying levels of requests we had. I know it was a lot.

Will you be in Naples on the 24th? The Administrator will be speaking at NMA's Board of Director's meeting that Monday.

Also, the gentleman you introduced me to in the Bath Room just before everything kicked off, could you share his contact info? I believe he was your boss? Would love to send him a little note as well.

Look forward to connecting again soon.
