Section I – INTRODUCTION

PURPOSE OF THE INSPECTION

This for cause marketplace inspection was conducted pursuant to the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) Section 8, 7 U.S.C. § 136f, and Section 9(a), 7 U.S.C. § 136g(a), to evaluate compliance with FIFRA and the regulations thereunder.

This inspection occurred for-cause for the suspected sale and/or distribution of unregistered pesticides.

FACILITY DESCRIPTION

Abraham Grocery & Wholesale LLC is a distributor and retailer that is involved in the importing and distributing of products such as laundry detergents, tissue paper, motor oil, drinks, etc. Abraham Grocery & Wholesale LLC is incorporated in Texas and employs five employees.

Section II - OBSERVATIONS

I, Environmental Protection Agency (EPA) Region 6 Inspector, Kiera Hancock, and Inspector Lee McMillan, arrived at Abraham Grocery & Wholesale LLC, on January 13, 2026, at approximately 2:48PM. We entered the facility and spoke with the president of Abraham Grocery & Wholesale LLC, Abraham Yheskel. I identified myself and Inspector McMillan as inspectors with the EPA and explained the purpose of our visit. Inspector McMillan and I presented our federal inspector's credentials to Mr. Yheskel. Mr. Yheskel asked me to explain the purpose of the inspection again and I explained the purpose of evaluating compliance with FIFRA. I explained different types of products that may be regulated under FIFRA and Mr. Yheskel explained that he did not sell any of those products. I then provided a Notice of Inspection (EPA Form 3420-2) to Mr. Yheskel for review and signature (Appendix 1). After the Notice of Inspection was signed, Inspector McMillan and I asked questions about the store and its activities. Mr. Yheskel explained they buy and sell products such as laundry detergents, tissue paper, motor oil, etc. I then asked Mr. Yheskel what products the company sells and if the products he buys are internal to the United States or if he imports them. Mr. Yheskel explained that he buys internal to the United States as well as imports some products. I then asked how many employees are employed by the company, and he said there are five employees. Mr. Yheskel then confirmed that the location in Stafford is the only location for the company. I then asked for an estimate on annual revenue, which Mr. Yheskel declined to provide. Inspector McMillan and I informed Mr. Yheskel that we would look around and review any pesticidal products being offered for sale at the store, which he allowed. I then asked if Mr. Yheskel would like to accompany us around the warehouse. He declined, but Mr. Yheskel gave Inspector McMillan and I permission to walk throughout the warehouse unaccompanied.

Inspector McMillan and I walked throughout the warehouse and observed an assortment of FIFRA-regulated products being held for sale and distribution. The pesticidal products were reviewed and Inspector McMillan took approximately 100 total photographs of the products' labels, bottles, boxes,

and pallets of each FIFRA-regulated product that was identified as a potential area of concern (Appendix 3). During our review of the products, Mr. Yheskel joined Inspector McMillan and I in the warehouse and inquired about the products we were reviewing. We explained to Mr. Yheskel what we are looking for on the labels and showed him some of the products identified as potential areas of concern. The products identified as potential areas of concern included: Fabuloso Ultra Frescura, Fabuloso Frescura Activa, Fabuloso Antibacterial Y Antiviral Trap Para Trapear, Fabuloso Alternativa al Cloro, Clorox (Spanish Label), Clorox Ropa, 4You Strong Desinfectant, and Ariel Doble Poder. While we were showing him the products, Mr. Yheskel explained that he buys the Clorox (Spanish Label), Clorox Ropa, and Fabuloso directly from Mexico but did not elaborate where the remaining products come from. Inspector McMillan and I continued to provide compliance assistance on how to identify pesticides and the FIFRA regulations.

At approximately 4:06PM, we all returned to the entrance to Mr. Yheskel's office. I explained the FIFRA regulations and provided him a Small Business Resource Information Sheet, the Confidential Business Information (CBI) Sheet, and the CBI Notice Questions and Answers. Mr. Yheskel inquired about the reasoning for the inspection, and I explained again that the Notice of Inspection stated the inspection was "for-cause" and the violation suspected was "sale and distribution of unregistered pesticides". I then provided a Receipt for Samples (EPA Form 3540-3) for his review and signature for the photographs taken during the inspection (Appendix 2). Mr. Yheskel said that before he signed, he wanted to view the photographs taken during the inspection. Inspector McMillan provided him with the camera and Mr. Yheskel reviewed the photographs. Upon completion of his review, Mr. Yheskel signed the Receipt for Samples. A copy of the Receipt for Samples and Notice of Inspection was provided to Mr. Yheskel.

Inspector McMillan and I then requested 3-years of records for each of the products found that included the sale and distribution records and invoices. Mr. Yheskel inquired about what he should do with the products identified during the inspection and Inspector McMillan and I advised him to hold the product and that there was the possibility that a Stop Sale, Use or Removal Order (SSURO) could be issued. I explained the purpose of a SSURO and explained that a copy of the EPA inspection report would be provided to him via email within sixty days. Mr. Yheskel stated he intends to sell and/or move the product out of the warehouse until he receives the SSURO. The inspection concluded at approximately 4:25PM.

Section III – AREAS OF CONCERN

During the inspection, multiple pesticidal products were observed to be an area of concern. The product labels indicated that they are used as a pesticide and were not registered within the United States at the time of the inspection. At the time of the inspection, these products were identified to be held in the warehouse for sale and/or distribution. The products include:

1. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresco Amanecer (1L)
2. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Mar Fresco (500mL)
3. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (500mL)

4. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (1L)
5. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (5L)
6. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (10L)
7. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Pasión de Frutas (1L)
8. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Pasión de Frutas (2L)
9. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Energia Naranja (1L)
10. Fabuloso Frescura Activa Antibacterial Y Antiviral – Fresco Amanecer (500mL)
11. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Blue label (828mL)
12. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Purple label (828mL)
13. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Red label (828 mL)
14. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Pink label (828 mL)
15. Fabuloso Alternativa al Cloro – Fresca Primavera (1L)
16. Clorox Ropa (500mL)
17. Clorox Ropa (930mL)
18. Clorox Ropa (1.89L)
19. Clorox – Spanish Label (500mL)
20. Clorox – Spanish Label (1.89L)
21. Clorox – Spanish Label (3.8L)
22. Clorox – Spanish Label (10L)
23. 4you Strong Desinfectant – Fresh Sea (5L)
24. 4you Strong Desinfectant – Lemon (5L)
25. Ariel Doble Poder (850g)
26. Ariel Doble Poder (1.5kg)

Labeling for the products included, but was not limited to, the following claims:

1. Fabuloso Ultra Frescura Antibacterial Y Antiviral
 - a. “Neutraliza Malos Olores, Virus y Bacterias” (Neutralizes Bad Odors, Viruses and Bacteria).
 - b. “Neutraliza malos olores, limpia efectivamente, elimina virus y bacterias y deja una duradera fragancia.” (Neutralizes bad odors, cleans effectively, eliminates viruses and bacteria and leaves a long lasting fragrance).
 - c. “Elimina el 99.99% de las bacterias P. aeruginosa, E. coli, S. aureus y S. typhimurium, y el 99.9% de las virus Influenza A H1N1, Coronavirus Humano OC43, SARS-CoV-2.” (Eliminates 99.9% of P. aeruginosa, E. coli, S. aureus and S typhimurium, and of Influenza A H1N1, Human Coronavirus OC43, Sars- CoV-2 viruses).
2. Fabuloso Frescura Activa Antibacterial Y Antiviral
 - a. “Neutraliza Malos Olores, Virus y Bacterias” (Neutralizes Bad Odors, Viruses and Bacteria).
 - b. “Neutraliza malos olores, limpia efectivamente, elimina virus y bacterias y deja una duradera fragancia” (Neutralizes bad odors, cleans effectively, eliminates viruses and bacteria and leaves a long-lasting fragrance).
 - c. “Elimina el 99.99% de las bacterias P. aeruginosa, E. coli, S. aureus y S. typhimurium, y el 99.9% de las virus Influenza A H1N1, Coronavirus Humano OC43, SARS-CoV-2”

(Eliminates 99.99% of P. aeruginosa, E. coli, S. aureus and S. typhimurium bacteria, and 99.9% of Influenza A H1N1, Human Coronavirus OC43, SARS-CoV-2 viruses).

3. Fabuloso Antibacterial Y Antiviral Trap Para Trapear
 - a. "Para acción antibacterial Y antiviral: Utilizer el producto sin diluir y déjelo actuar por 5 minutos" (For antibacterial AND antiviral action: Use the product undiluted and let it act for 5 minutes).
 - b. "Elimina el 99.99% de las bacterias P. aeruginosa, E. coli, S. aureus y S. typhimurium, y el 99.9% de las virus Influenza A H1N1, Coronavirus Humano OC43, SARS-CoV-2" (Eliminates 99.99% of P. aeruginosa, E. coli, S. aureus and S. typhimurium bacteria, and 99.9% of Influenza A H1N1, Human Coronavirus OC43, SARS-CoV-2 viruses).
4. Fabuloso Alternativa al Cloro
 - a. "Fórmula Desinfectante" (Disinfectant Formula).
 - b. "Antiviral Y Antibacterial" (Antiviral and Antibacterial).
5. Clorox Ropa
 - a. "Quita Manchas Y Desinfecta" (Removes stains and disinfects).
 - b. "Elimina el 99,9% de virus y bacterias de tus prendas" (Eliminates 99.9% of viruses and bacteria from your clothes).
6. Clorox – Spanish Label
 - a. "Elimina el 99,9% de Bacterias y Virus" (Eliminates 99.9% of bacteria and viruses).
 - b. "Elimina el virus causante de COVID-19" (Eliminates the virus that causes COVID-19).
 - c. "48 Horas Prevención Contra Bacterias" (48 hour prevention against bacteria).
7. 4you Strong Disinfectant
 - a. "Kills 99.9% of viruses & bacteria"
 - b. "is a product formulated with Cuatemarias Salts of Broad spectrum ammonium; germicide, bactericide, fungicide and viricide."
 - c. "Recommended for disinfection of equipment, surfaces, food preparation utensils in kitchen areas of restaurants, industrial dining rooms and hotels."
 - d. "Moisten a cloth and clean the area you want to disinfect or spray the area and collect the excess" and "With just spraying you can: clean your cell-phone, desk, table, clothes, toilet, etc. or any type of surface without soaking and it will get disinfected."
8. Ariel Doble Poder
 - a. "Remueve hasta 99% de bacterias" (Removes up to 99% of bacteria).

Section IV – FOLLOW UP

The following information was requested through email by EPA on January 14, 2026:

1. Last 15 instances of sale/distribution records for each of the products identified above.
2. Last 15 instances of invoices for each of the products identified above.
